NAME: Michael F. Owen ADDRESS: [REDACTED] San Diego, CA 92106 PHONE: [REDACTED] EMAIL: michael.owen@vetalitycorp.com	Please provide the following for the concerned applicant: [REDACTED] DATE OF BIRTH: [REDACTED] CASE NUMBER: _____
---	---

What concerns are you having with a federal agency?

I know of several dozen Veterans that can gain employment in San Diego once the Navy (via the Southwest Regional Maintenance Center - SWRMC) complies with proper security protocol to protect Navy warships being repaired at private shipyards in San Diego Bay. There is an identified security risk to the ships in these private yards as there is not currently adequate security for them on the water side; they should have waterborne security patrols in front of them. So my concern is twofold: (1) I would like to see our veterans employed, and (2) I would like to see the Navy address this shortfall in our National Security posture.

What specific action are you seeking from our office?

Can you find out from SWRMC (located on 32nd Street naval station) when they plan to start a waterborne security program at NASSCO, CMSD and BAE? And if they are not starting immediately, why not?

Have you contacted any other elected official to assist you problem? No (Name)	Do you currently have an attorney working your case? No (Yes or No)
